RE: Chapter 11, case No. 19-23649 (RDO)  
Purdue Pharma L.P., et al.,

Your Honor

I am writing this Letter to You because  
I Am told that I Am Past the "Bar Date"  
To make my Claim against Purdue Pharma  
And that I Need to explain to You the  
/ of 8

Reason that I'm Late.

Your Honor I am Not Sure Where to  
Even Begin or IF I am going about this  
the Right Way, but I will do my best.

As a person who suffers From opioid  
Addiction—my entire Life has been in  
Complete and total Shambles Since the  
Very First time I Was Prescribed oxy, I  
believe in 2009.

Since that time I have NOW-  
Stop Been in Prison or else Homeless.  
Additionally For the Last 2 Years The  
Covid-19 Global Pandemic has made  
my Life even more unmanageable.

I Contracted COVID-19 At the Thurston  
County Jail in Olympia Washington. The  
Virus Very Nearly Killed me. The  
Jail eventually Released me so that  
I could seek medical help. However  
because of my addiction to opioids I  
~~immediately~~ I immediately sought out the drug  
to Relieve the pain of my withdrawal symptoms.  
That was the day of my first Heroin  
overdose. The TUMWATER (WASH) Police Dept  
Found me UNRESPONSIVE and Not Breathing  
on the Floor of Motel 6. I had to  
be injected with the ANTI-OPIOID Drug  
"NARCON" 3 Times before I was  
Able to Breathe again. From that point

3 of 8

I was sent to the hospital by ambulance  
and then back to jail where I  
was put in quarantine because I still  
had COVID-19. While on quarantine I had  
no access to any news or for  
that matter no people. This lasted  
for months. Eventually the jail sent  
me to prison (probation violation for overdosing  
on Heroin) where I am still on  
quarantine and I'm locked down for 23  
hours a day. It has been months and it  
will likely be many more months before  
I have access to a TV or newspaper.  
I only became aware of this bankruptcy

Case a month ago. At that point I  
immediately wrote to the "Prime Clerk"  
and requested claim forms but so far  
I still have not received them.

It is my intention to (somehow)  
obtain the general opioid claim form and the  
personal injury claim form and submit them  
right away.

Your Honor I definitely have a claim  
against Purdue Pharma and I'm writing to  
respectfully request that you allow me to  
file late. I am actively seeking a lawyer  
to represent me on this so there will  
not be any more late filings.

AS I Sit here writing this Letter From my Prison  
Quarantine Cell I have Virtually No access  
To the outside World other than via  
the U.S. Postal Service, but that Requires/  
or Assumes that I know the Address  
of the person I Need to Communicate With.  
my other Connector to the outside world is  
the institution phone system which Requires  
that I know the # of the person I Need to  
Communicate With and that I have Funds available  
on a Prepaid phone account to use, (I Don't have  
Funds).

Your Honor as I mentioned before I've  
Already wrote to And Requested claim Forms From  
The "Prime Clerk" but I've Yet to Receive  
6 OF 8

Then. I Worry that perhaps I have the wrong  
address For the "Prime check" or that my Mail  
Was Lost Because here in Washington state there  
is a Big Investigation about the U.S Postal Service  
Losing (or destroying) mail.. I Dont Know IF this  
~~affects~~ ~~affects~~ me or Not, What I Do know is that  
I still havent Recd my claim Forms.

Yar Honor I will Continue to TRY to  
Get my hands on the "General Optoid" Claim Form  
and the "Personal Injury" claim Form But Just to  
be on the Safe Side and assuming that I am  
Unable to do so.

Will You Please Send me the "General -  
Optoid" Claim Form AND the "Personal Injury" Claim

Form So that I can file them right away?

IN closing the purpose for this  
Letter is to Request that you Forgive me  
and allow me to file my claims although  
they are past the Bar Date.

Thank you Your Honor for your time  
and consideration.
